Deep Learning: Getting Started  
REST API (Intermediate)

# Thrinadh Manubothu

Fascinated with Networking in Python  
Narasaraopeta, Andhra Pradesh, India

## Summary

Had keen interest towards Machine Learning and Networks . Built projects to sharpen my skills and constantly updating myself with latest technologies and motivating myself to work more and learn more.

---

## Experience

Microsoft  
Apprentice  
May 2022 - June 2022 (2 months)  
Virtual

Mentee @ Microsoft Intern Engage 2022  
Worked on to create a web application for attendance management.  
Learnt technologies like Flask and working with OpenCV and databases

The Sparks Foundation  
Data Science & Business Analytics intern  
May 2022 - June 2022 (2 months)  
Online

Working as a Data Science & Business Analytics intern at The Sparks Foundation under the Graduate Rotational Internship Program (GRIP). Completed the tasks on Supervised Learning and Unsupervised Learning. This gave me an idea on how people work in the Data Science field rather than just theory.

---
